Name	10K Pace	Details:
Judy	9:30 mph	I reside on the east coast of FL. I am 50 years old, I like to run and want to have fun. I am competing with myself as a personal life goal.
Kristen F	7:15- 7:30	Most important is a team that is relaxed and can enjoy the relay. A somewhat competitive team that is relaxed as well would be good. An all women's team would be cool.
Gene M	60 minutes	I live in Pensacola and run about a 10 min mile and would like to be part of a team in this relay run. I believe by March I can have my run time down some and be able to run longer.
Traci M	around 90min	all womans team from my area i live in punta gorda fl. i am not the fastest long distance running but luv a great adventure.
Jessica K	8:45/mile	Do you have mixed? If not, women's. Live in Fort Myers, Florida, so west coast-based may be better. Competitive but not hardcore. And wants to have A TON OF FUN! :D
Stephanie D	??	Hi... I am a solo runner wanting to get in on a team that needs an extra runner... I am not looking for a ultra competitive team, just a team that wants to do good.. I live in Fort Myers so team members near me would be best... I am not sure about my pace, because I just got back into running a couple of weeks ago.. I have been focusing on tennis the last few years.. But this is a race I am interested in and would love to get onto a team so I would be able to focus on training for this race
Eric S	10:00	men's, mixed, or open. non competitive. I just want to have a good time while taking up this challenge. Would be a plus if the team is from the Jacksonville area.
Liz K	50 min	south tampa based team not hugely competitive
David S	9-9:30 and dropping	My girlfriend Erica is the fast one...she runs small **s for a very long time. She is fast and can do long distance and is an amazing person :). Coed team from anywhere would be nice. We'd like to run for fun says me...Erica wants to win. I lived in FL 25 years. Be nice to run this one.
Michael L	38:00 or so	I am a single, faster-paced, Christian who (currently) is in the Air Force. It would be neat to run with a team looking for someone with any of those criteria. Barring that, I'll run for anyone! I just wanna RUN and would like to be part of a neat team!  Averaged just over a 6-minute pace at least year's run.  March 31st is my birthday. It would make my year to be running S2S after midnight that day.
Mary G	58 mins	I have no strong preferences for the type of team though I'm sure a womens team would be fun. I live in Tampa so east-coast based would be helpful.  Thank you.
Jessica A	7:30	I am looking for a competitive team.
Jena C	10 to 11	womens, east coast (jacksonville)
Mark P	48 min	Central Florida, Mens team.
Addie G	57minutes	Either a women's team or mixed team doesnt matter. Currently an avid runner. Have run 4 1/2 marathons with a sub 2hr finish. As of January 2012 I am at the completion of a full marathon training schedule for the January 29th ING Miami Marathon. I pace at about 10minute miles comfortably.
Jessica R	9:30	I am a 24 y/o female interested in joining either an all women's or mixed team in central/north florida as I live in Gainesville. I run a 9:00 5K pace and recently ran a 9:41 15K pace. I currently run a 10:00 1/2 marathon pace and am training for my first full marathon in mid-march so my pace will pick up by the relay date. I am not competitive with times, I simply love distance running and am hoping to join a team of runners like myself.
Stephanie C	8:40	co-ed, or women's team east coast based
marie j	9:00	I am a 35 year old female. I am looking for either a women's team or mixed. I prefer a team that is slightly competitive, but is accepting of my pace. I also want to have a lot of fun and laughs. I am out of Vero Beach.
Melissa C	12:30	Looking for a fun and competitive team who doesnt mind a slow runner. More for the adventure instead on 1st place.
Jodi H	50-55:00 10k	A team that trains in the Gainesville area would be great.

David D	8:15	I live in Oviedo and just want to do this because it seems like a lot of fun. I will be coming off a full marathon on February 5th, so I don't know if I will be super competitive!
Allison M	12:00	Looking for a team interested in just having a good time and accomplishing the task at hand. I have been running for 3+ years. I am in my late 30's and consider myself an average runner.
Jerry D	10:45	I'm an ultra runner and looking to be a member of an ultra team.
Joe Buono	?	Via facebook
Margie F	NA	Would like to be a team driver if anyone needs one.
Carl P	8:00	I am a male, 59 yrs and I am open to any team type. I am east coast based, in the Coral Springs, FL area. I have run several team relays like Ragnar, Palm 100, Keys 100, etc. I can handle total miles of 30 to 40 if needed.
